

NAWKAW CORPORATION WARRANTY

“Corporation name” (hereinafter referred to as “Nawkaw Corporation”) hereby warrants to (Customer) that the quality of workmanship and materials used in connection with the Nawkaw Corporation Color Treatment applied to, (Address) will be satisfactory to the Assured for period of not less than twenty-five (25) years from date of the treatment which commenced on (Date). Assuming normal weathering conditions and subject to other job site materials, workmanship and building design meeting industry standards.

If, during said twenty-five (25) year period, the Assured is not satisfied, by reason of failure of the workmanship or materials used in connection with the Treatment, Nawkaw Corporation will, within thirty (30) days of receipt of written notice of dissatisfaction from the Assured, respond with a recommended corrective action, if any, limited to re-application.

This warranty is not applicable to, and thus considered null and void in any situation that involves masonry which has been subject to any form of post manufacturing treatment including, by way of example, but not limited to, such matters as sandblasting, silicone treatments or any form of chemical wash, unless disclosed and therefore deemed acceptable in writing by Nawkaw Corporation.

The within warranty to (Customer) of (Address) shall be binding upon the undersigned and their successors and assigns, is limited to reapplication of the appropriate color treatment, and shall ensure to the benefit of the owners, from time to time, of (Job Address).

Signed on this day of 2010.
